No.

10.10 Motions Arising

10.10.1 M.M.1 – Juried Art Show

IHCP: 3400 dollars

VPI: Good opportunity for res students.

Mtime: Agree with VPI:

NRHH: Yield.

IHCP: Wish they asked for more money. Excited that an artistic group has approached us since our uni is more science focused.

Mtime: Could we give them more money?

IHCP: Could deny it and email them to ask for more money from us.

That'd be bad. We can give them the 200.

11 – 0 - 1

10.10.2 M.M.2 – UofG Synchro

NRHH: Should give them the full amount. They have 7 1st year residence students. They broke down their costs exceptionally.

IHCP: Agree with NRHH. Any initiative that benefits any of our constituents should be taken seriously. They already pay so much out of pocket to do what they do.

JHall: Agree with IHCP.

NRHH: Brings back to the community

11 – 0 -1

10.10.3 M.M.3 – Student Leadership Delegation

NRHH: They broke down the costs well. College govs may not have the same capacity to fund this as well as we do. Scope of this helps more than just IHC, would benefit lots of different areas on campus.

Mtime: Will positively impact res students

JHall: Direct impact on IHC and res students.

IHCP: I attended last year. Really great way to network with people from across the country.

11 – 0 – 1
